

DEEP SOUTH  
ALL-BREED OBEDIENCE TRAINING CLUB, INC.  
NEW ORLEANS, LOUISIANA

Thank you for your interest in training your dog with Deep South. Our classes are offered to owners who wish to improve their dog's behavior and our instructors will TRAIN YOU TO TRAIN YOUR DOG. Classes are held on Tuesday nights at the training lot on River Road and Labarre Road.

You will be expected to devote at least 15 to 20 minutes each day putting into practice the exercises you have learned in each lesson. The one-hour session, once a week, is not enough to make your dog obedient and under control. Repetition is the keynote to successful obedience training. Should you have a bitch that comes into season during your first session, you will be excused from the class (and the grounds) and will be reprocessed to continue your training at a later date.

Following your basic session (6 to 8 weeks), you will have the option to continue your training and move on to another level and another instructor for more advanced work. A variety of levels are available to you and your dog as your training progresses. You might even become interested in some phase of competition. DEEP SOUTH can help you train your dog to whatever level you choose.

**REQUIREMENTS:**

- Complete the enclosed Reservation Form and Membership Agreement and return the *entire* package to the Membership Chair immediately. Your application will be proposed at the next monthly meeting. Once approved, you will be eligible to begin training in the next available session.
- A check in the amount of seventy dollars (\$70.00) must accompany your Reservation Form. This amount is nonrefundable should you decide not to commence training. Each subsequent January your membership dues are due. At the present time the annual dues are \$20.00. These dues cover multiple dogs and their owners living in the same household for Puppy, Novice, Intermediate, Show, Open and Utility obedience training classes.
- Dogs must have specific inoculations to attend class. Only one trainer per dog will be accepted. Aggressive dogs are not allowed in class or on the training grounds.
- A copy of proof of RABIES, DISTEMPER, and PARVO inoculations must be provided with the Reservation Form. Records must be current to the applicable year.

No alcoholic beverages will be allowed at class or on the grounds. Please do not consume alcoholic beverages before attending class.

The Class Weather Number is 454-8858, after 6:00 P. M. only.

Upon your acceptance as a member, you will be notified as to the starting date of the next session. Please come out to the training site a few minutes early WITH your dog on the first night of class. You may then be fitted for proper training equipment, if desired. Collars and leashes are available through the club at wholesale prices and may be purchased on the first night of class. You are required to have a properly fitted training collar and a 6 ft. leather lead for class.

Any questions? I will be happy to answer them for you. Please call and leave a message.
